BACKSTORY When the Elden Ring begins its journey into the New World, the Dark Beast Legion emerges from the Corruption and attacks. As a result, the Elves are driven into the Darklands and face a life of austerity. The Elves, however, cling to their traditions and beliefs and establish the Lands Between. Having lost their belief in the gods, these people have slowly lost their power to make progress. The Elves carry out their work quietly, have no idea what they are fighting against, and keep themselves apart from others. One day, a lone traveler approaches the Elves. This man with a scar on his face is found to be an Oldblood. He is a mysterious man who bears with him the only remaining weapon of the Elves: the Elden Ring. The Elves are aware of the Dark Beast Legion and have gathered many weapons in order to battle it. And in the Lands Between, they are waiting for someone to bear the ring and wield its power. In order for an Elden Lord to be able to wield the power of the ring, they must be spiritually pure, in other words, they must have no pride or desire for power. However, the power of the ring attracts many, and in order to experience its power, no one is exempt. At times, those who wield the ring become arrogant and delusional. The Official Asian Mobile App (IOS / Android) 1. Create your own character As an RPG where

you equip weapons, armor, and magic, you have complete freedom to create your own character. Choose your gender, occupation, and appearance and then customize it as you desire, from the clothes to the weapons, which will determine your character's disposition. And the skills you choose to equip will greatly influence the way you play the game. You may even decide to skip the training process and select a profession to start your quest! 2. The world of the Elden Ring In the world of the Elden Ring, adventurers have begun to cross the lands between in search of great treasure, but they are chased by menacing monsters. As an adventurer, you are given a chance to rise and become a Tarnished, or the name of a disgraced adventurer. Every Tarnished who meets certain requirements will be able to unite in the Lands Between, a dreary and unknown world, and be led by grace in order to become an Elden Lord. The world of the Elden Ring is divided into two parts: the Lands Between, a dreary and unknown world; and the Isle of Elden, a world protected by magic. The world outside the Lands Between is the reality of the world of the Elden Ring, and the lands between and the Isle of Elden are in essence a utopia and a dream world, respectively. 3. The offline and online elements Offline: Offline and asynchronous online elements are integrated to create a unique gaming experience. When you play offline, you can directly connect with other players, chat, and participate in a battle. While offline, you can enjoy the other players' companions. As an avatar, you can also roam around freely and take pictures to upload on the world map, which will add additional interest to your online experience. Online: The MMO features online play in four modes: PvP, PVE, Guild, and Match. You can freely join the guilds which your friends recommended to you, or you can easily find an appropriate guild that suits your play style. As your level increases, you will be able to fight in PvP where you can also use your upgraded skills. And you can join a match with friends or random players, or an unranked match where you can rank up. Note: As our game is still under development, the online elements and
