Error en la implementación de la directiva de la UE relativa a los productos de limpieza y sus ingredientes (- Antes de la votación: José Manuel García-Margallo (ES) Señor Presidente, simplemente quiero expresar una información. Cuando llegué a esta sala, me dijeron que debía ir a mi casa, que no había ningún desacuerdo y que la votación se realizaría inmediatamente. Pero al llegar a mi casa, he descubierto que sucedió exactamente lo contrario y que se votó sobre una lista donde no estaba mi informe. Lo que quiero decir, señor Presidente, es que no se dieron los hechos al final y quisiera señalar el error realizado. Presidente Señor García-Margallo, podemos normalizar esa situación desde ahora. and the same as the original minus the scion, but the rootstock has already been successfully grafted, thus acting as a foreign graft that is. This is known as a slip-graft. If you don't have a Kaki tree, you can do this with any tree. Here are some of the advantages you get from the Kaki scion over a standard graft. The advantages include: · Cure of dwarfing and low vigour problems. · Increased disease resistance. · Grain quality improvement. · Sensitive fruit ripening. · Altered leaf texture. · Quality and yield increase. · Increased timber production. I can't stress this enough, if you don't have a Kaki tree, you can do this with any tree - here is the grafting
