caused havoc with an explosive device at Incheon International Airport in April. The report on "M" will air on April 9 at 7:15 p.m. KST. According to SBS, the show will shed light on the life of the person who allegedly carried out the explosive device. It is also expected that viewers will witness how he uses the Internet to gather information about weapons and also how he constructs devices in his home. The report follows four previous episodes that aired to gradually draw out the story of "M." "M" has been the topic of much speculation and talk, since it began airing. If the real names of "M" and the person who allegedly made an explosive device are revealed, it will be the first time an explosive device was used in Incheon International Airport since the incident in late 2014.
