free download 4.35/5 - (30 votes) Safe download embed a link email print Launcher (Lock Screen / Start Screen) Windows Key: The Windows logo key is used for login, launch programs and to search the user manual. Windows logo key + [R] or [F11] brings up the Start screen. From the Start screen you can return to the desktop screen, start up Windows Update or a program, access the settings menu or access the program overview. Windows Key + [X] or [Escape]. Volume keys (Windows): The volume keys bring up the volume control. You can raise or lower the volume through the control bar located in the top right corner of the screen. Alt-Tab: If you have another Windows ready to be selected, you can switch to another desktop by pressing Alt-Tab. The virtual keyboard will appear as long as you are using other programs that have input focus. Hold the Alt key and press the Tab key to change focus between program windows. Print Screen key: Press the Print Screen key to capture a screenshot. To do this hold the Print Screen button and press the PrtSc key on the keyboard or just tap the button with a pen. This will save a copy of the entire active screen on the desktop. Alt-PrtScr: You can also use the Alt-PrtScr key to take a screenshot. As above, hold the Alt key and press the PrtScr key on the keyboard or just tap the button with a pen. Windows Key + Alt-Print Scrn key or Alt-PrtScr key: You can also press the Windows logo key and then press the Print Screen key (left bracket) on the keyboard or just tap the button with a pen. Windows Logo key: The Windows logo key is used for login, launch programs and to search the user manual. Windows logo key + [R] or [F11] brings up the Start screen. From the Start screen you can return to the desktop screen, start up Windows Update or a program, access the settings menu or access the program overview. Windows Key + [X] or [Escape]. Volume keys (Windows): The volume keys bring up the volume control. You can raise or lower the volume through the control bar located in the top right corner of the screen.
